

# HERE'S HOW YOU CAN EASILY TRACK YOUR PROGRESS IN RECYCLING MERCURY

1. Go to the web and visit [www.usecology.com](http://www.usecology.com)
2. Under “Services”, click on “Environmental Services”, then click on “Recycling”, and then on left side of the screen, pick ELVS Mercury Switch Program”
3. Under “Collection Reporting”, click on your state in the drop down menu, then click “Report”
4. Click on the first letter of your business name
5. Find your company, click on “View Details”

- 6. Hard copy can be printed from any screen to serve as your “receipt” or verification of program participation**
- 7. You now have all of the information necessary to track your progress in the NVMSRP/ELVS program.**
- 8. Your company’s name on the EQ website serves as verification that you are participating in the NVMSRP/ELVS program.**
