

## **HERE'S HOW YOU CAN EASILY TRACK YOUR PROGRESS IN RECYCLING MERCURY**

1. Go to the web and visit [www.usecology.com](http://www.usecology.com)
2. At the top of the page Under “Services”, click on “ELVS Mercury Switch Program”
3. On the Right Side of the Next Page, Click on “Collection Reporting”
4. Click on your state in the drop down menu, then click “Run Report”
5. Click on the first letter of your business name
6. Find your company, click on “View Details”
7. Hard copy can be printed from any screen to serve as your “receipt” or verification of program participation.
8. You now have all of the information necessary to track your progress in the NVMSRP/ELVS program.
9. Your company’s name on the US Ecology website serves as verification that you are participating in the NVMSRP/ELVS program.
