

HERE'S HOW YOU CAN EASILY TRACK YOUR PROGRESS IN RECYCLING MERCURY

PLEASE NOTE – NEW ELVS REPORTING LOCATION:

1. Go to elvs.republicservices.com
2. Click on State Report and select your state in the drop down menu, then click “Run Report”
3. Click on the first letter of your business name (or simply type in the name and/or address to narrow down your facility).
4. Find your company, click on “View Detail” (right side of screen)
5. Hard copy can be printed from any screen to serve as your “receipt” or verification of program participation.
6. You now have all of the information necessary to track your progress in the NVMSRP/ELVS program.
7. Your company’s name on the Republic website serves as verification that you are participating in the NVMSRP/ELVS program.
